

[PARTIE 0: POLKADOT-JS \(Configuration du portefeuille\)](#)

1. Extension: Télécharger et installer l'extension de navigateur.

This browser extension does one thing: it manages accounts and allows the signing of transactions with those accounts. It does not inject providers for use by dapps at this early point, nor does it perform wallet functions, e.g send funds.

2. Cliquez sur **Télécharger pour Chrome.**

GUIDE DE POLKADOT-JS APPS – Partie 0: Polkadot-JS (Configuration du portefeuille)

Version 1.1

The screenshot shows the Chrome Web Store page for the 'polkadot{.js} extension'. The page header includes the Chrome Web Store logo and navigation links: Home > Extensions > polkadot{.js} extension. The extension's details are displayed, including its logo (an orange circle with a white 'P'), the name 'polkadot{.js} extension', the developer 'Offered by: polkadot{.js}', a rating of 5 stars with 23 reviews, the category 'Developer Tools', and '100,000+ users'. Below this, there are tabs for 'Overview', 'Privacy practices', and 'Re'. At the bottom, there are recommendations for other extensions: 'WAExpresso - WhatsApp...', 'Message deleter for Slack', and 'Instagram With...'. An 'Add Account' overlay is positioned on the right side of the screen. It features a blue header with the text 'Add Account' and a plus icon. A blue box contains the instruction '4. Cliquez sur + pour créer votre premier compte.' A green arrow points to a plus sign inside a circular profile picture placeholder. Below the placeholder, the text reads: 'You currently don't have any accounts. Create your first account to get started.'

The screenshot shows the Chrome Web Store page for the 'polkadot{.js} extension'. The page title is 'polkadot{.js} extension' and it is offered by 'polkadot{.js}'. A yellow warning box is overlaid on the page, containing the text: 'Ne stockez JAMAIS votre phrase mnémotechnique/seed dans un(e) téléphone/tablette/ordinateur portable/PC !' and 'Ecrivez-la dans un cahier ou un agenda et gardez-la en privé.' Below this, a blue instruction box says: '5. Assurez-vous de bien noter votre phrase mnémotechnique et cochez la case.' A green arrow points from this box to the 'I have saved my mnemonic seed safely' checkbox in the account creation overlay. The overlay is titled 'Create an account 1/2' and shows a generated 12-word mnemonic seed: 'promote fetch hamster sweet enough broccoli total bounce rival repeat above warfare'. A 'Next step' button is at the bottom of the overlay.

GUIDE DE POLKADOT-JS APPS – Partie 0: Polkadot-JS (Configuration du portefeuille)

Version 1.1

The screenshot shows the Chrome Web Store page for the 'polkadot{.js} extension'. The page header includes the Chrome logo and the text 'chrome web store'. The breadcrumb trail is 'Home > Extensions > polkadot{.js} extension'. The extension's name is 'polkadot{.js} extension', offered by 'polkadot{.js}', with a 5-star rating from 23 reviews and over 100,000 users. Below the extension details, there are tabs for 'Overview', 'Privacy practices', and 'Re'. A list of recommended extensions is visible at the bottom, including 'WAExpresso - WhatsApp...', 'Message deleter for Slack', and 'Instagram With...'. Overlaid on the right side of the page is the 'Create an account' dialog box, which is 1/2 of the process. It displays a Polkadot logo, a placeholder name '<unknown>', and a generated 12-word mnemonic seed: 'promote fetch hamster sweet enough broccoli total bounce rival repeat above warfare'. A 'Copy to clipboard' button is present. A warning icon and text state: 'Please write down your wallet's mnemonic seed and keep it in a safe place. The mnemonic can be used to restore your wallet. Keep it carefully to not lose your assets.' A checkbox labeled 'I have saved my mnemonic seed safely.' is checked. At the bottom of the dialog, an orange button labeled 'Next step' with a right arrow is circled in green.

6. Cliquez sur **Étape suivante** pour continuer la procédure.

The screenshot shows the Chrome Web Store page for the 'polkadot{.js} extension'. The page title is 'polkadot{.js} extension' and it is offered by 'polkadot{.js}'. A blue box with the text '7. Fournissez les informations requises.' is overlaid on the page. To the right, a modal window titled 'Create an account 2/2' is open. The modal shows a profile for 'Lala' with a seed phrase 'GvcruVbk41C3wzCY7zVxH7rDJaWaTeN2wR5CJi4TEtaUHg1'. Below this, there are fields for 'NETWORK' (set to 'Kusama Relay Chain'), 'A DESCRIPTIVE NAME FOR YOUR ACCOUNT' (set to 'Lala'), 'A NEW PASSWORD FOR THIS ACCOUNT', and 'REPEAT PASSWORD FOR VERIFICATION'. A green box highlights these four fields. At the bottom of the modal, there is a blue button labeled 'Add the account with the generated seed', which is also circled in green. A blue box with the text '8. Cliquez sur Ajouter le compte [...] pour terminer la procédure.' is overlaid on the bottom of the modal.

GUIDE DE POLKADOT-JS APPS – Partie 0: Polkadot-JS (Configuration du portefeuille)

Version 1.1

The screenshot shows the Polkadot.js extension management interface in a browser. The main page has a header with the Polkadot logo and the text "Polkadot{.js}". Below the header, there are two main sections: "Authorize" and "Add Account". The "Authorize" section contains a warning message and a button to "Yes, allow this application access". The "Add Account" section contains a plus sign icon and a message: "You currently don't have any accounts. Create your first account to get started." A settings menu is open on the right side of the page, showing options for "THEME" (Light and Dark), "Manage Website Access", "EXTERNAL ACCOUNTS AND ACCESS" (with a checked "Allow QR Camera Access" option), "DISPLAY ADDRESS FORMAT FOR" (set to "Substrate"), "LANGUAGE" (set to "English"), and "Open extension in new window". A green arrow points to the "Dark" theme option. At the bottom of the page, there are two buttons: "Download for Chrome" and "Download for Firefox".

2. Faites glisser le bouton **"Theme"** pour utiliser le mode Clair/Sombre.

This browser extension does one thing: it manages accounts. It does not inject providers for use by dapps at this time. It also does not send funds.

GUIDE DE POLKADOT-JS APPS – Partie 0: Polkadot-JS (Configuration du portefeuille)

Version 1.1

The screenshot displays the Polkadot-JS Apps extension interface in a web browser. The browser's address bar shows the URL `polkadot.js.org/extension/`. The main content area is divided into two panels: "Authorize" and "Add Account".

The "Authorize" panel contains a warning message: "An application, self-identifying as `polkadot-js/apps` is requesting access from `https://pjs.io/ions/dotapps.io/`." It also includes a note: "Only approve this request if you trust the application. Approving gives the application access to the addresses of your accounts." Below this, there are two buttons: "Yes, allow this application access" (orange) and "Reject" (red).

The "Add Account" panel features a large circular button with a plus sign and the text: "You currently don't have any accounts. Create your first account to get started."

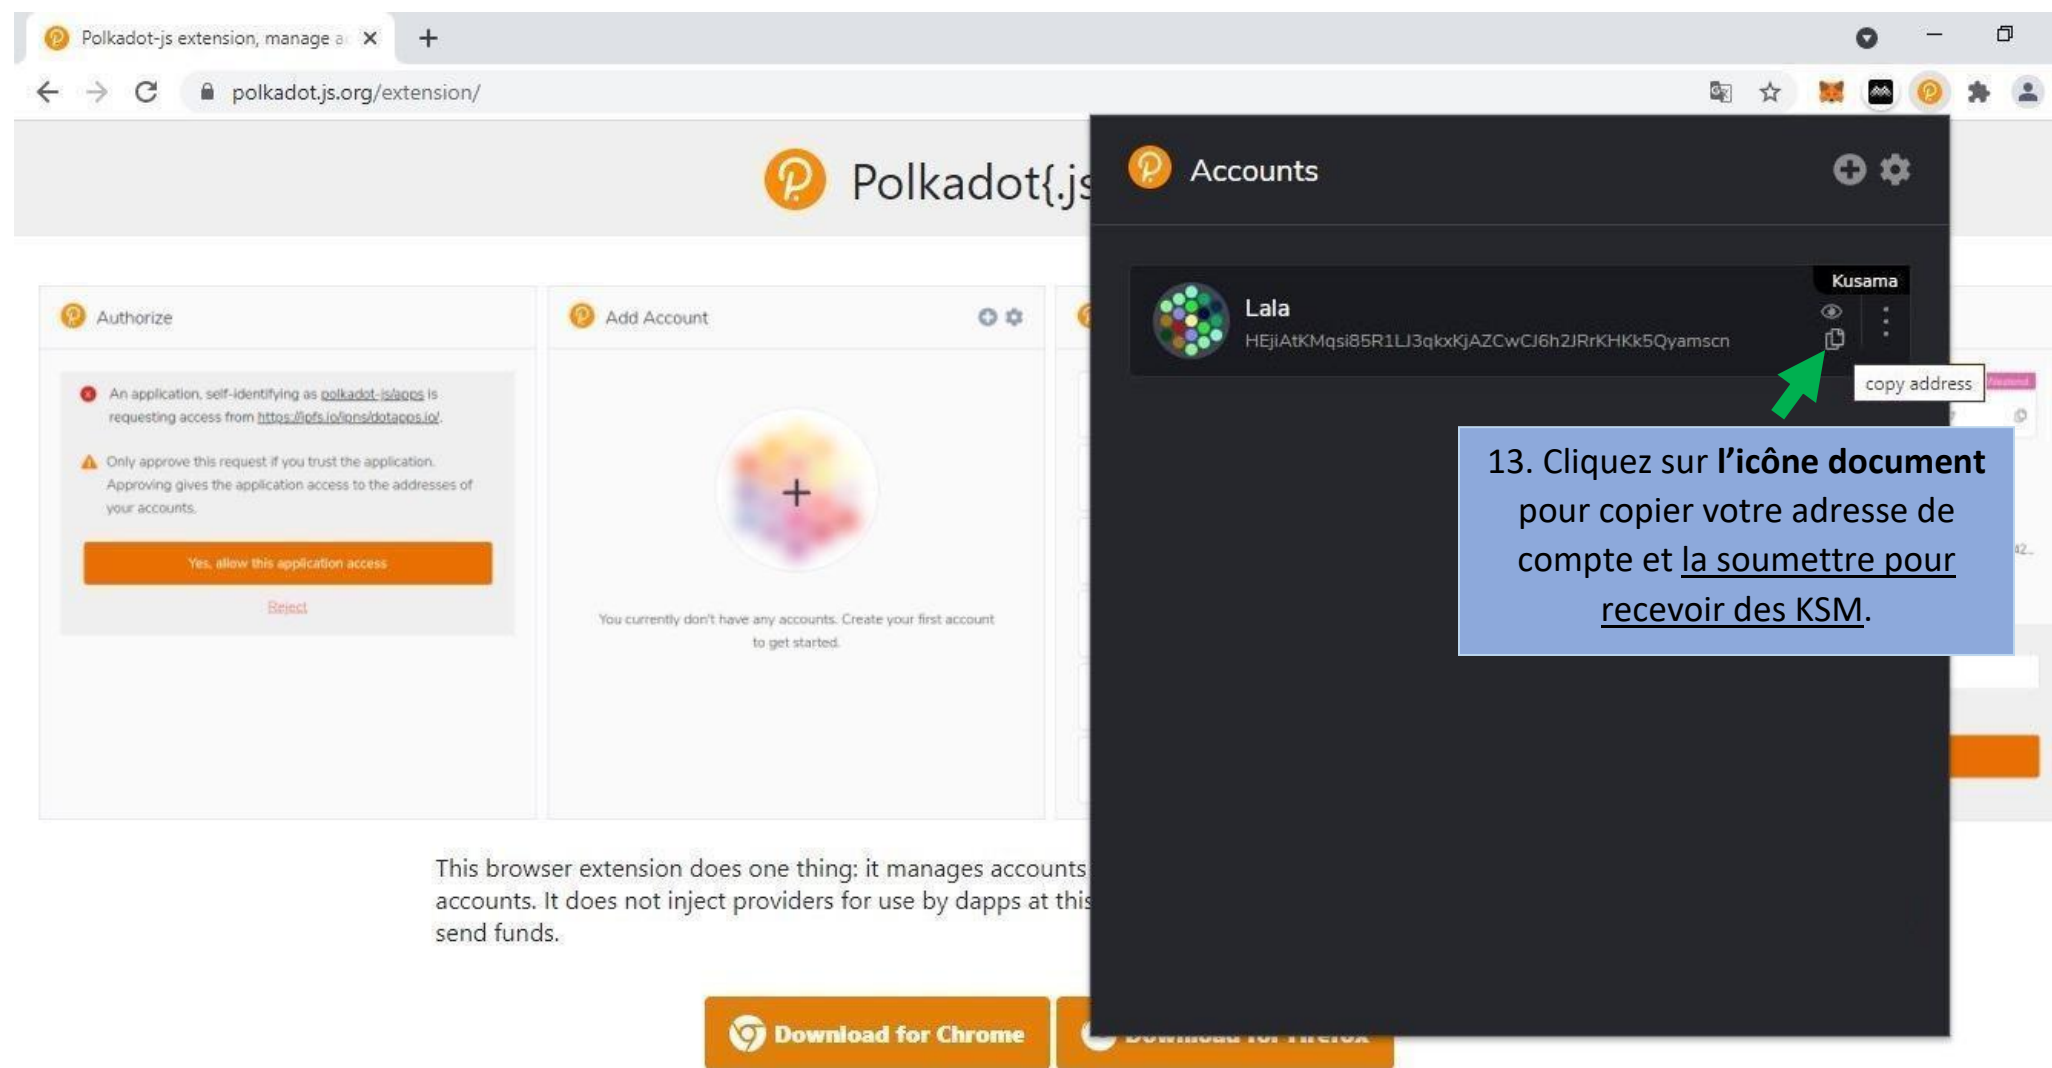

Overlaid on the right side of the interface is a dark-themed notification box. At the top, it says "12. Votre compte est maintenant invisible et n'apparaîtra pas sur *Polkadot-JS Apps*!". Below this, it shows a user profile for "Lala" with the address `HEjiAtKMqsi85R1LJ3qkxKJAZCwCJ6h2JRrKHKk5Qyamscn`. To the right of the profile, there is a "Kusama" label and a green square icon with a red 'X' over it, indicating that the account is invisible.

At the bottom of the interface, there are two orange buttons: "Download for Chrome" and "Download for Firefox".

This browser extension does one thing: it manages accounts and accounts. It does not inject providers for use by dapps at this send funds.

GUIDE DE POLKADOT-JS APPS – Partie 0: Polkadot-JS (Configuration du portefeuille)

Version 1.1

The screenshot shows the Polkadot.js extension interface in a browser. The main header displays the Polkadot logo and the text "Polkadot{.js". Below this, there are two panels: "Authorize" and "Add Account". The "Authorize" panel shows a warning about an application requesting access. The "Add Account" panel shows a plus sign and text indicating no accounts are currently added. A dark overlay titled "Accounts" is shown on the right, displaying a list of accounts. The first account is "Lala" with the address "HEjiAtKMqsi85R1Lj3qkxKjAZCwCJ6h2JRrKHKk5Qyamscn". A green arrow points to a document icon next to the address, with a tooltip that says "copy address". A blue callout box contains the following text:

13. Cliquez sur l'icône document pour copier votre adresse de compte et la soumettre pour recevoir des KSM.

Below the panels, there is a text block: "This browser extension does one thing: it manages accounts... It does not inject providers for use by dapps at this... send funds."

At the bottom, there are two orange buttons: "Download for Chrome" and "Download for Firefox".
