GUIDE TO POLKADOT-JS APPS – PART II: Network – Event calendar

Version 1.0

The screenshot shows the Polkadot-JS Apps interface. At the top, there is a navigation bar with the Kusama logo, account information (kusama/9070, #8,492,498), and tabs for Accounts, Network (selected), Governance, Developer, and Settings. On the right of the navigation bar are links to GitHub and Wiki.

Below the navigation bar, there are two tabs: "Event calendar" and "Upcoming events". The "Event calendar" tab is active, showing a calendar for July 2021. The 27th of July is highlighted. To the right of the calendar, the "Upcoming events" section is visible, showing a list of events for 27 July 2021. The first event is "Potential dispatch of referendum 125 (if passed) via Democracy" at 0 AM, with a timestamp of 00:37 and a hash of #8,513,567. A green arrow points to the "via Democracy" link in the event title.

2. Click on the **module** to switch view on *Polkadot-JS Apps*.
